

Impacting Lives. Every Day.

THE POWER OF COMMUNITY

CalvertHealth has continued to innovate while addressing growing and diverse healthcare needs. This would not be possible without the philanthropic spirit and advocacy of the community.

Access to local health care has never been more important than it is today. The dedication of CalvertHealth's care team, physicians, community board members, Foundation supporters, health system leaders and more than 1,500 employees and volunteers have enabled us to remain independent and flexible in the midst of today's challenges.

We take pride in our commitment to responding to the healthcare needs of our community with services and resources that enable our patients to receive expert care close to home. We are committed to ensuring that we are here for you when you need us – just as we have been for more than a century.

We are honored to share with you how your 2022 support of the Foundation impacted CalvertHealth this past year. Throughout the ongoing pandemic, we have faced many challenges. We are so incredibly grateful to the following 2022 supporters for coming together to support our local community hospital.

The Foundation gratefully acknowledges the following individuals and organizations for their gifts in 2022. If there are any errors or omissions, please accept our apologies and contact the Foundation Office at foundation@calverthealthmed.org or by calling 410.414.4570.

The CalvertHealth Foundation hosted two of its most successful events in 2022. The 33rd Annual Benefit Golf Classic engaged more than 150 individuals and raised \$107,000 in support of urologic services. The Breast Cancer 5K to benefit the Sheldon E. Goldberg Center for Breast Care raised nearly \$61,000 and had more than 700 participants!

The CalvertHealth Foundation Scholarship Committee recently awarded the largest scholarship total in its history – providing \$170,231 to 35 award recipients. Since the scholarship program began in 1991, it has awarded more than 545 scholarships totaling \$925,000 in student assistance. The 2023-2024 scholarship application opened Jan. 1 with applications being due by Apr. 30, 2023. Visit the CalvertHealth Foundation website to learn more.

The 34th Annual Harvest Ball Gala was the last of its kind. Since 1989, through the dedicated efforts of a dynamic team of volunteers and the generosity of our supporters, the Harvest Ball Gala event has raised more than \$5 million to help purchase the latest medical technology, improve facilities and expand services for those we know and love. Throughout the years, more than 60 individuals volunteered their time and talents.
