

THE POWER OF COMMUNITY

Standing stronger, together.

We are honored to share with you the incredible impact your 2020 support of the Foundation has had on CalvertHealth. This past year has presented us with many challenges, but we are proud of how our community has come together in support of one another.

CalvertHealth has continued to innovate while addressing growing and diverse healthcare needs. This would not have been possible without the philanthropic spirit and advocacy of supporters like you.

Our community is a special place where friends, families and neighbors care about one another. This has never been more evident than during the COVID pandemic when local businesses and partners came together to support your community hospital in the form of medical supplies and equipment, homemade masks, meals for our frontline workers, financial contributions and words of encouragement.

Breast cancer survivors Dale Morsell and Cindy Jones attended the Survivorship Celebration at the Rod 'N' Reel Resort in October. The event was just one of many made possible through the support of grant funding.

2020 Key Highlights & Achievements

These successes are a direct result of your kindness and your investment in CalvertHealth.

- Raised \$1.3 million in 2020
- Received support from nearly 500 donors
- Spearheaded the COVID-Response Fund raising \$28,960 in gifts from 70 donors as well as 150 gifts of meals and personal protective equipment to support our workforce
- Recognized more than 84 local young philanthropists for their support of CalvertHealth
- Awarded 50 scholarships totaling \$69,000 to those pursuing degrees in health care
- Launched the Planting the Seeds of Hope Campaign, raising \$256,470 with a matching \$250,000 for a total of \$506,470 for mental health needs in our community
- Recognized 25 healthcare providers on Doctors' Day on March 30
